LOCAL MOVES (AFI32.6001, para 11.10.1.1)

Local moves from community housing to Privatized Housing (PH) are paid on a one-time basis after PCS.

IMPORTANT: *Move orders **MUST** be obtained from the government Housing Management Office (HMO) prior to move in order to receive a government-funded move. Additionally, you cannot change the type of move (drayage to PPM or vice versa) without new orders from the government housing office.*

STORAGE OF EXCESS HOUSEHOLD GOODS (NTS) Some active duty military members are authorized government-funded storage of *delivered* Household Goods (HHG) IAW AFI 32-6001, paragraph 11.10.2.3 while occupying PH. Storage requests including list of items must be provided to the HMO within **30 days** of signing lease with PH. The sponsor or dependent with Power of Attorney is responsible for making necessary arrangements for storage of *approved* HHG storage. If member or dependent store HHG prior to receiving storage orders from HMO all costs will be the individual's own expense.

NOTE: These entitlements can only be authorized by the HMO and not Buckley Family Housing (BFH). Be sure to visit your HMO in bldg 1005 room 174 or via email at: buckleyhousingreferral@us.af.mil to determine your eligibility.

NON-TEMPORARY STORAGE ON PCS (JFTR 5.1.2). Responsibility is with the member and the local TMO office for removal or continued storage of HHGs on PCS orders. The housing office is not financially responsible for PCS storage costs and cannot authorize continued benefits.
